

## **TalentQuest to Showcase their Virtual Reality learning solutions at Realities 360, The Enhanced Realities Conference, July 26-28 in San Jose, CA**

Atlanta GA, July xx – *TalentQuest*, a leading provider of award-winning Talent Management and Immersive Learning Solutions announced today that the company will participate in *Realities 360* and showcase their virtual reality learning solutions. TalentQuest will be represented by Jeff Baumohl, VP of Product Marketing & Alliances, and Mike Mathews, VR Evangelist. The conference will occur July 26-28, in San Jose, California.

Immersive technologies are gaining rapid adoption in the corporate learning market as leaders seek to increase learning engagement, retention, and ultimately employee performance. TalentQuest creates award winning workplace simulations which provide safe lifelike environments for employees to experiment, discover, and learn-by-doing. Leading organizations leverage TalentQuest solutions to drive better business outcomes through their people.
